512 rider

IPC Eagle

28" Vacuum Sweeper

The 512 rider vacuum sweeper is easy to maneuver around tighter spaces, comfortable to ride on and simple to maintain.

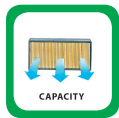

High Productivity

Up to 50,000 sq. ft./hour and 4 hour run time

Large hopper capacity

Self cleaning filter system provides for optimum vacuum performance

512 rider

Ergonomics, User Friendly

Easy to use control panel

Designed for maximum comfort

Designed to assure minimum noise levels

Battery level indicator

On board charger

Flashing beacon (Opt.)

Low Maintenance Costs

Dust filter replacement without tools

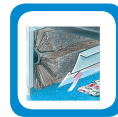

Easy access to motor compartment

High Performance

Main brush pressure adjustment with great dust control

Dust flap for large debris collection

Durability

Heavy duty chassis in fully coated steel

Body is made of molded polyethylene

Panel control switches protected against water and humidity

Sweepers
512 rider

Maximum comfort and extreme ease of use

Adjustable seat as standard

Easy access to internal components

Simple to tilt entire top body

Maximum brush wear saving

- Main brush pressure is easily adjusted from driving position
- The led indicator on dashboard allows constant view of brush pressure

Technical Data

512 E rider

Max Working Width	Inches/mm.	28" /700mm
Main Brush Width	Inches/mm.	20" /500mm
Productivity (Max Theoretical)	Sq Ft/M hour	39,726/3691
Hopper capacity	Gal/Ltr	13 Gal/50 Ltr
Power Supply	Voltage	2x12V
Filter Surface	Ft ² / m ²	22 Ft ² /2 m ²
Filter Shaker		Standard
Max Speed	Mph/Kmh	3.25 Mph/5.2 Kmh
Weight	Lbs/Kg	272 Lbs/123 Kg
Dimensions (LxWxH)	Inches	47" x30" x47"
Dimensions (LxWxH)	mm	1180mmx753mmx1182mm
