

Lightweight Backpack Vacuum

Finally, an affordable back pack vacuum that's comfortable.

Comfort leads to productivity

Efficiently carrying only 11 lb / 5 kg, the ergonomic harness, designed by backpacking experts, maximizes comfort through weight distribution to the operator's hips (rather than the back).

Healthy, proven performance

Standard with HEPA 4-stage filtration, the back pack's cleaning performance is also certified Bronze by the Carpet and Rug Institute's (CRI) Seal of Approval program.

Durable and Affordable

Major components have been proven in commercial applications for over 4 years. This back pack vac delivers high value at operating costs up to 25% less than other commercial vacuum.

Get comfortable. Try the V-BP-6 back pack vacuum. It will relieve the stress on your budget and the operator's back.

Key Benefits

- LEED qualifying with CRI SOA Bronze Performance and noise levels less than 70 dBA
- Increase comfort and safety due to lightweight design at only 11 lbs/5 kg.
- Start productive cleaning with a set of standard tools for both hard and soft floor applications.

Lightweight Backpack Vacuum
