Power Cable	50 ft. (15.2 m) 3-wire, hospital grade plug	
Size (L x W x H)	9 x 9 x 17 in (22.9 x 22.9 x 43.2)	
Size w/harness	9 x 12 x 20 in (22.9 x 30.5 x 50.8 cm)	
Weight (machine)	12.5 lbs (5.7 kg)	
Shipping Weight (system)	25 lbs (11.3 kg)	

### PRODUCT

- High power features two stage vac motor
- Rugged roto-molded construction resists impacts and abuse
- 1 1/4 inch (3.175 cm) tool kit includes stretch hose, telescoping wand, combination floor tool, and three hand tools
- 1 1/2 inch (3.8 cm) tool kit includes stretch hose, 2-piece double curved aluminum wand, 14 in (35.5 cm) carpet tool, and two hand tools

### EASE OF USE

- Top-fill bag resists clogging
- Easier to maneuver than upright or tank vacuums in congested areas
- Comfortable shoulder harness and waist belt distributes weight evenly

- Telescopic, or two-piece wands are easy to store and transport
- Stretch hose is light weight, and less cumbersome than standard convoluted vac hoses
- Swivel hose adapter allows left or right hand operation

### PRODUCTIVITY

- Extra-powerful two stage vac motor provides the additional power for heavier debris recovery
- Variety of tools can be attached quickly for any application
- 50 ft. (15.2 m) electrical cord gives operator a larger working radius
- 2-layer, micro-lined paper filter bag helps to control airborne dust

### SAFETY

- 2-layer, micro-lined dust bag improves air quality
- Shoulder harness and waist belt combination reduces stress on operator's back
- Hospital grade electrical plug features hardened ground prong for operator safety
- Light weight tools reduce operator fatigue

### OPTIONS/ACCESSORIES

- Cleaning tools available for overhead or wall applications
- Permanent cloth filter bag
- H.E.P.A. filter kit
- 400 Hz airline kit
- Contact Clarke® Distributor for complete line of vacuum tools
