## BR Ride-On Scrubbers

Automatic scrubbers with pre-sweep

BR 90/140 R

BR 100/250 R

BR 120/250 R

## Powerful and productive ride-ons with long battery life for larger cleaning applications.

Kärcher's line of industrial battery-powered ride-on sweepers are available in cleaning widths from 36" up to 48" and feature cylindrical counter-rotating brushes with integrated pre-sweep functionality, power to clean inclines of up to 15% and extraordinary maneuverability. All three models feature our intuitive EASY operation controls that make training and using the machine simple and full access to the waste water tank.

### Sleek, Functional Design:

Improves sight lines for safer operation.

### Long Run Times:

37 gallon tanks and selective cylindrical brushes allow operator to effectively scrub with less solution

### Wet Sweep Capability:

Cylindrical brushes sweep light debris while providing a wide range of pressures and speeds.

### Easy To Use:

Intuitive control panel reduces operator training.

### Quick Maintenance:

Uncomplicated access to brushes and batteries without tools. Recovery tank is easily cleaned.

### Rugged Design:

Extremely durable for industrial applications.

### Standard Accessories (included):

Standard Cylindrical Scrub Brushes (2)  
Long Life Squeegee Tool Blade Set  
Automatic Battery Charger - 40 amp  
330-360 Amp Hour Batteries

### Optional Accessories:

Lead Acid or AGM Battery Packs  
Heavy Duty Grit Cleaning Brush  
Extra Stiff Heavy Duty Grit Cleaning Brush  
Hi-Lo Pile Clean Brush - for grout  
Soft Scrub Brush - for sensitive surfaces  
Cab Roof Overhead Guard  
Rotating Pole Mounted Beacon Light  
Work Light - for dim or poorly lit areas  
Solution Recycling Kit
