

5 YEAR WARRANTY

SURFACE DISINFECTING SYSTEM

The COUNTER STRIKE surface disinfecting system is a complete solution for quickly disinfecting surfaces and touch-points in facilities and public areas.

This system is a 5 gallon machine with a 220 psi pump. Standard tools include commercial tough misting gun for quick, effective application of disinfecting chemical, an industrial 25 ft. solution hose with brass quick connects, and a 25 ft. industrial power cord.

The COUNTER STRIKE system provides the operator with a compact yet powerful package that delivers the quick application of disinfecting chemicals in a fine mist to multiple types of surfaces and touch-points in nearly any location.

The on-board tool caddy system simplifies transporting the COUNTER STRIKE to the job location with all tools and chemical necessary to complete job in one trip.

Ideal for:

- Educational facilities
- Medical facilities
- Hospitality and lodging facilities
- Processing & industrial facilities
- Transportation
- Building Service Contractors
- Sports & entertainment facilities

37" REACH

Watch this short video to see the COUNTER STRIKE in action

⚠ WARNING

Always wear personal protection equipment when operating this equipment, and follow the chemical manufacturer's recommendations for safety, dilution ratio and dwell time.

COUNTER STRIKE 5

FEATURES AND BENEFITS:

- Durable, light-weight, compact body with folding handle
- Top mounted chemical tray, misting gun holster, and large rear wheels for easy transport
- 220 PSI pump, optimal rate of solution dispensing for maximum productivity
- 5-Gallon solution tank for larger coverage, reducing downtime from needing to refill solution
- Compatible with most commercial disinfectants
- 37" commercial tough misting gun for extended reach to high and low areas with ease
- Atomizing spray tip provides 70 Micron droplet size for finer misting and better saturation control with in-line filter to minimize clogging
- Twist off spray tip for easy maintenance or replacement
- 25' industrial solution hose with quick connects
- 25' industrial detachable power cord
- 5 year warranty on parts & labor (machine only)

SPECIFICATIONS:

Model	500M
Solution Tank	5 gallon
