

S-20

20" AUTO SCRUBBER

TIER 1 SPECS. AFFORDABLE PRICE.

This machine may very well be the best value in auto scrubbers. The machine features specifications and attributes you would find in the premium price ranges, but at a mid-market price. Pacific Floorcare™ is a truly U.S. based, privately-owned company uniquely positioned to bring together this offering.

- A** Training graphics are on the control panel. New or experienced operators learn as easy as 1, 2, 3!
- B** Clean on your schedule with sound levels down to 63 dBA
- C** Transport the machine without worry with frame and tank tie down points
- D** Perform chemical-free finish removal with heavy-duty orbital head & 100 lb down pressure
- E** Don't kneel or strain your back again with automatic on/off brush system

APPLICATIONS:

The S-20, available as pad assist or traction drive, rotary disk or rectangle, high-rpm orbital-motion head, is Purpose Built™ for:

- Daily scrubbing & project work (deep scrub or strip jobs) of smaller facilities
- Dedicated facility or multi-facility route cleaning programs
- Small rooms, detail & edge cleaning in larger facilities
- Chemical-free finish removal! (orbital)
- Grout and porous floor scrubbing
- Entry-ways & lobbies
- Check-out aisles
- Spill clean-up & water recovery

GENUINE SERVICE PARTS PURPOSE BUILT™ TO PROVIDE MAX PERFORMANCE

Why buy a copy when you can get the original parts – the ones actually used in the machine's original design work the best. Not only do you get maximum performance, but you also reduce hassle and downtime. Be sure to contact Pacific Floorcare or a local authorized distributor when you need authentic service parts.
