Performance Features

Saber 17 now comes standard with an on-board battery charger.

Saber 17's unique pad driver/brush replacement system allows you to mount and remove pad/brush without using your hands for increased convenience and safety.

Easy access to batteries, vacuum and brush motor simplify scheduled maintenance.

Saber's contoured shape provides the operator the safety of a commanding view of the work area. Compact and maneuverable design simplifies cleaning in confined areas.

Target Markets:

- Parking Lots
- Manufacturing Facilities
- Warehousing/Distributions
- Event Centers
- Hospitality
