Watchman® 20 Automatic Scrubber

The Betco Watchman® series of automatic scrubbers bring a new dimension to cleaning maintenance. A simple design makes the WS20 easy to operate and reduces operator training. The 20" cleaning path along with the 13 gallon solution and 15 gallon recovery tank increases productivity. A heavy-duty squeegee assembly provides maximum water recovery, and easy access to all areas of the machine reduces service down time. Betco's Watchman® Automatic Scrubbers are built durable to last and will help make your cleaning maintenance jobs easier!
