

BRILLIANT FLOORS AS FAST AS LIGHTNING.

Make your floors shine bright with these durable burnishers.

Brilliant floors as fast as lightning.

Make your floors shine brilliantly with the Lightning 1500 and 2000. We included features such as a mechanical interlock to prevent accidental starts for safety. The built in circuit breaker protects the motor for long life and durability. These efficient burnishers restore your hard floors to a like-new shine. They have an easy to use adjustable handle and a non-marking bumper to protect your machine and facility.

1 Performance

- Floating handle automatically adjusts to operator height simplifying operation and providing a consistent high-gloss shine.
- Powerful dust control system captures dust in an easy to remove paper bag and provides a healthier work environment.
- Direct drive motor provides reduced maintenance cost.

2 Safety

- Mechanical safety interlock to prevent accidental start-ups.
- Built in circuit breaker to protect motor.

3 Durability

- Rugged cast aluminum base and switch housing with non-marking bumper to protect the machine and facility.
