

FM[®] Series Floor Polishers

- Rugged planetary drive system
- Dual independent micro-switches
- Exclusive dihedral handle
- Die cast aluminum housing
- Non-marking, vinyl bumper

Uncompromising quality and durability have led the FM Series floor polishers to be called the “best in the industry.”

Hand-built and backed by an exclusive 7 year warranty, both the motor and gearbox represent the highest quality. The die cast aluminum housing make for the most durable polisher on the market. Multiple sizes and horsepower are available to help fit any application or job requirement.

The FM Series floor polishers provide the highest in quality and durability.

Trusted. Reliable. Efficient.

The Clarke FM Series - The Best Polishers In The Industry!

Shown with the optional
4 gallon solution tank

Quality and durability have allowed the FM Polisher to be called the "best in the industry." The motor and gearbox are hand-built and backed by an exclusive 7 year warranty.

The FM Series Features and Benefits Include:

- Rugged planetary drive system features helical-cut gears for ultra smooth power transmission.
- Dual independent micro-switches reduce down time.
- Exclusive dihedral handle design reduces operator fatigue.
- Die cast aluminum housing is five times stronger than sand castings.
- Chrome handle tube resists rust - lasts longer.
- Non-marking, vinyl bumper protects walls and furniture.

SPECIFICATIONS	FM 1500	FM 1700	FM 2000
Part Number	01013A	01014A	01016A
Brush Diameter	15 in	17 in	20 in
Brush Speed	175 RPM		
Motor	115 V / 230 V 1 hp		
Gear System	Dual planetary		
Power Cable	50 ft		
Frame	Die cast		
Brush Shroud	Aluminum alloy		
Wheels	5 x 1.75 in non-marking cushion		
Weight	98 lb	102 lb	107 lb
Warranty	Parts & Labor - 5 Years, Motor & Gearbox - 7 Years		
Agency Approvals	cULus		

Specifications are subject to change without notice.

What does it do best?

- Chrome handle tube resists rust
- Planetary drive system uses precision needle bearings
- Dual independent micro-switches reduce down time

What makes it easy to use?

- Dual switch levers make operating with either hand a snap
- Machined steel helical cut gears provide smooth, quiet operation

What enhances its productivity?

- Rugged 1 hp motor with 1.25 service factor provides extra power for grinding, sanding and carpet cleaning as well as polishing and scrubbing

What are the safety features?

- cULus listed
- Hospital grade plugs have soldered wire terminals and hardened ground plug

What are the accessories?

- Extra brushes
- Floor pads and pad drivers
- Solution tank assembly
- Concrete grinding adapters
- Wood floor sanding adapters
