

## **Bext® Series**

### Hot Water Extractors

- In-line heat exchanger
- Instant heat - up to 212° F
- Low moisture system at 0.8 GPM
- Large 3-stage vacuum motor
- Easy circuit loader

The Bext® Series hot water extractors compliment Clarke's extraction line by providing portable, heated, box extraction equipment.

Bext extractors are designed to be easy to use, productive, quiet, and portable. The innovative design premier with benefits and features unavailable in any other portable extraction equipment on the market today.

Bext® extractors are designed to be easy to use, productive, quiet, and portable.

**Trusted. Reliable. Efficient.**

# Portable Extractors with Onboard Heat

## Bext® 150 H and 300 HV

### Bext Improves Dry Time

- Low moisture system, 0.8 gpm
- Faster evaporation with higher temperature
- Large industrial 3-stage vacuum motor (300 HV)

### Bext Increases Cleaning Effectiveness

- Heated models produce up to 212° F water at tip
- Pump pressure 300/75 psi or 150 fixed psi

### Bext is Portable

- Easy to load and transport
- Usage in buildings with multi-story/surface
- Alternative to truck mounts
- No long hoses which mean no open doors

### Bext Deep Cleans

- Heat increases effectiveness up to 40%
- High pressure injection increases agitation
- Bext is a carpet restorative system

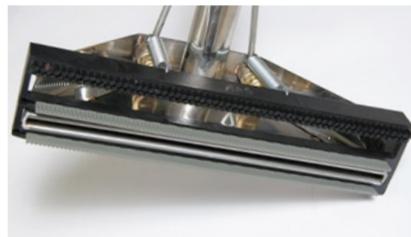

The Bext® Series has earned the Bronze Seal of Approval certifying that it meets high performance standards for carpet cleaning effectiveness.

**BRONZE**

Easily extract large or confined carpeted areas such as stairs or tight office spaces. Optional hand tool makes cleaning partitions, fabrics and upholstery a snap.

Heated Agitation for Tile & Grout  
CHAT P/N 30724A

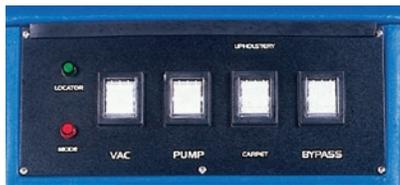

### Bext® CHAT -

Clarke's patent pending wand attachment, allows you to use your hot water extractor and wand on tile and grouted floors.

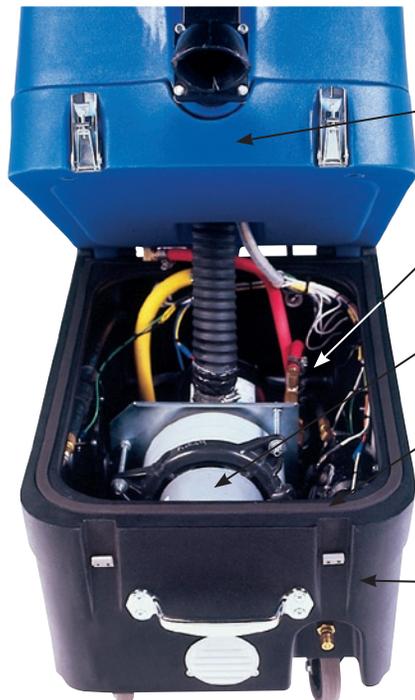

Each unit includes a double bend stainless steel extraction wand, vacuum and high pressure hose. 300HV also includes a prime hose.

Turn your Bext extractor into a dual function (carpet and tile) machine with CHAT.

Lighted rocker switches with sealed switch plate and switches.

No holes in the tank bottoms - no leaks

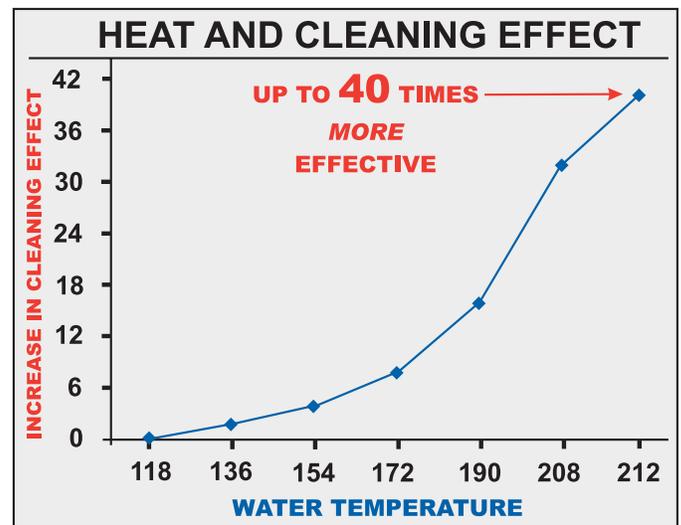

In-line heater heats water after the pump

Horizontal mount vacuum design for long life

High quality gasket seals out water drips

Compact, yet designed for easy access and maximum efficiency

## All Bext® 150 and 300 Extractors Offer Onboard Heat!

Increasing solution temperature up to 212° F at the spray tip dramatically improves cleaning results.

**Hot Water = Cleaner Carpet Quicker = More Productive Cleaning Value**

SPECIFICATIONS	Bext 150 H Detailer	Bext 150 H	Bext 300 HV
Part Number	04152A	04147A	04148A
Solution Tank	13 gal		
Solution Pump	150 psi diaphragm		Positive displacement 300/75 psi
Vacuum Motor	(2) - 5.7 in 2-stage		7.2 in 3-stage
Waterlift	150 in		140 in
Easy Circuit Locator	Standard		
Onboard Heater	212°F water temperature		
Wand	3.5 in closed detail tool	Double bend twin nozzle polished stainless steel	
Power Cable	(2) 25 ft 12-3, hospital-grade plug		
Wheels	(2) large 10 in non-marking and (2) soft tread castors		
Hose	15 ft crush-proof vacuum high-pressure solution hose		
Low Moisture System	Standard		
Float Shut-Off	Standard		
Weight	90 lb	119 lb	
Warranty	Product Lifetime (10 Years) - Heater, Tank, and Mainframe Parts & Labor - 1 Year		

Specifications are subject to change without notice.

#### What does it do best?

- Cleans carpets faster
- Creates up to 212° F hot water

#### What makes it easy to use?

- Easy circuit locator
- Low moisture
- Compact and light weight

#### What enhances its productivity?

- Instant heat - up to 212° F at spray tip
- High pressure
- In-line heat exchanger

#### What adds to its durability?

- Rotationally molded tanks
- Industrial 3-stage vacuum motor (300 HV)
- Vertical mounted vacuum intake
- Onboard heater
- Sealed switches and switch plate

#### What are the safety features?

- Reduced body strain and stress
- No open unsecured doors
- Hospital-grade plugs

#### What are the accessories?

- Upholstery tools
- Clarkare™ chemicals
- CHAT grout attachment
- Mini-spotters
