

CarpetMaster 200 Series Dual Motor Vacuums

- High productivity, dual motor cleaning without the fatigue
- H.E.P.A. filtration comes standard
- Easy to use detailing wand and tools
- Easy maintenance features

Designed with the benefits of a dual motor vacuum:

Better Productivity: 1,350 Watts of total cleaning power optimally allocated to driving the brush and vacuum independently. The result is a one-pass cleaning capability which saves up to 20% in cleaning time.

Carefree Operation: The brush stops turning when the operator is detail cleaning with the wand and tools.

CarpetMaster doesn't weigh you down!

Unlike most dual-motor vacuums, the CarpetMaster has its vacuum motor located at the base of the machine. The result is a lighter handle weight. That means less fatigue for the operator.

Light handle weight won't fatigue the operator.

Trusted. Reliable. Efficient.

A Nilfisk-Advance Brand

Clarke®

The CarpetMaster 200 Dual Motor Series: Built for Speed, Without the Fatigue!

A Practical Vacuum with Features that Matter

- H.E.P.A. filtration comes standard
- Quick-draw detail wand with secure easy-access tools
- Bright, prominent bag light alerts the operator to change the bag or check for clogs
- Quick and simple bag replacement
- Easy access to air channel in base to clear clogs
- No-tools access to brush for easy change
- Simple brush height adjustment
- 2 year service free cog style sealed belt
- Non-marking bumper
- 50 foot safety yellow cord

Easy to change brush. Simply unlock the brush and pull out.

Convenient access to standard H.E.P.A. filter.

Easy to use quick-draw detailing wand and tools.

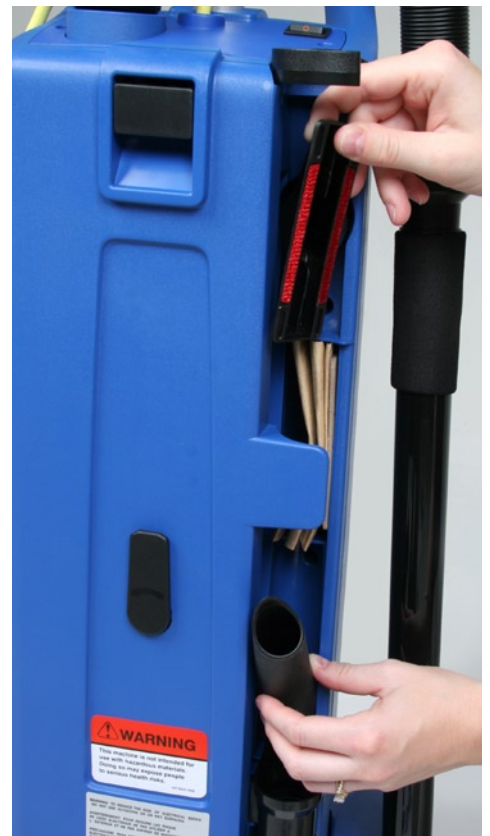

Quick and simple bag replacement. Just lower the bag holder and pull your used bag out, then slide in a new bag and snap holder back into place. Easy as 1-2-3!

Loaded with Features and Benefits!

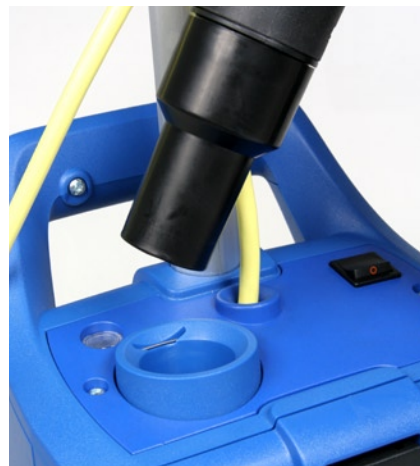

Simple controls make the CarpetMaster easy to operate and maneuver. Convenient handle location assists operator with lifting up stairs, onto carts and more.

Tool and storage compartment is located directly behind the quick-draw wand.

50 foot safety yellow cord wraps quickly and allows the operator to clean large areas while keeping passers by safe.

Hose removes for quick clog checks.
